

Arco Pass/ Wood Canyon Trail

If you are leaving from the kiosk (located on County Road behind the Arco City Park) by ATV to ride this trail, follow Park Road to Hwy. 20/26/93.

Carefully cross the highway to Highland Drive between the Hawkbill Sail and Flag Memorial. This is where the map begins.

The beginning of the trail will be signed with brown reflective directional signs. The trail is signed with routed redwood markers with arrows.

The colored trail sections on the map are only to assist you in judging mileage.
